

## 2008/09 Land Rover G4 Challenge Applicant Consent

### Medical & Background Investigation

In consideration of the opportunity to participate in one or more Land Rover G4 Challenge ("the Challenge") events or activities, I, (print full name) \_\_\_\_\_, hereby grant Land Rover and its co-sponsors, respective affiliates, parent or subsidiary companies, officers, directors, employees, successors and assigns (collectively referred to here as "Land Rover" or "Sponsor"), and their producers, promotional agencies and contractors, and their respective employees, officers, directors, and agents, and others assisting Land Rover with the Land Rover G4 Challenge or the Programme (the latter collectively referred to as the "Agencies"), the right to obtain such information about my medical history (including prior treatment and conditions) as they may request because it is considered necessary for the purpose of assessing my eligibility and suitability for participating in the Challenge and administering the Challenge and Programme. I understand that the information may be used by and may be disclosed between the parties named above for these purposes only, unless I have otherwise approved or consented or unless otherwise required by law.

Furthermore, I grant Sponsor the right to obtain such information about my background as it may consider necessary for the purposes of assessing my eligibility and suitability for participating in the Challenge (including verifying and supplementing my Application) and administering the Challenge and Programme. I understand and agree that the background information Sponsor may seek pursuant to this Consent (and subject to applicable local law) includes, but is not limited to, a credit check, interviews with my family, friends, current and former employers, neighbors, teachers and the like.

This Consent is granted based upon Sponsor's commitment to treat my medical and background information as confidential personal information and protect its privacy as provided in the "Important Privacy Notice" contained in my Application.

For some Applicants medical and personal background information may need to be transferred to agents in other countries for assessing your Application and administering the Challenge or the Programme. Applicants therefore must consent to this transfer for participation in the Challenge.
